Title: Need to treat heat wave condition as a natural calamity.

DR. BOORA NARSAIAH GOUD (BHONGIR) : Since the beginning of this summer season, 137 persons have died due to heat wave condition prevailing in Telangana.

Maximum 34 deaths were reported from Medak district. Besides Medak, 30 deaths in Mahbubnagar, 26 in Nalgonda, 10 in Rangareddy, 7 in Khammam, 13 in Karimnagar, 9 in Adilabad and 8 deaths in Nizamabad have been reported so far.

I, therefore, request the Government to consider heat wave as a natural calamity.
